The 2020 Kidney Research Charity Pairs

Would you like to join us for the Kidney Research Pairs ?

We understand your club isn't set up to run its own sessions but we can offer you the chance to play under the umbrella of another club.

Caterham Bridge Club in Surrey has very kindly offered to open its session on Thursday 9th July to any English players - on this occasion you don't need to be an EBU member - who want to take part and you can enter by clicking here: https://www.bridgewebs.com/cgi-bin/bwon/bw.cgi?club=caterham&pid=display_page123&sessid=391665700528579

It will be played on BBO and we will be awarding overall EBU master points to EBU members as normal for the final result

If you are worried about playing on BBO but would like to try it, please let us know and we can put you in touch with someone who can reassure you and help you so that you can enjoy it and have fun playing bridge again.

It would be great if you could join in – we would love to have your company !

Best wishes
